

Online Learning for Tribal Government and Enterprise

2023 Learning Series

Tribal First Risk Control is pleased to offer our new learning series that focuses on safety tools to aid with mitigating risk. Each live 1-hour learning session begins at 10:00am PST. All presentations are recorded. Contact us to obtain the link.

EFFECTIVE SAFETY PROGRAMS

January 19	<u>Curious about How Tribal First Risk Control Resources Can Support Your Safety Efforts?</u> (archived)	Meet the Tribal First risk control consultants, and learn about the experience and on-demand resources available to you today
February 16	<u>Assessing Your Safety Program Needs</u> (archived)	Utilizing hazard and exposure identification process to determine training, compliance, and risk improvement prioritization
March 23	<u>Creating and Delivering Effective Training</u> (archived)	An approach to developing a training matrix to ensure employees receive safety training needed for their position.
May 25	<u>Q&A Session: Hazard Recognition and Control</u> (archived)	Using Job Hazard Analysis as a best practice to recognize and mitigate hazards

EFFECTIVE PROPERTY RISK AND CONSERVATION PROGRAMS

April 27	<u>Understanding and Controlling Property Related Loss Trends</u> (archived)	How to stay ahead of three common losses will aid with reduced down time and claims.
June 15	<u>Emergency Action Planning</u> (archived)	We've invited FEMA's Tribal Liaison to share their experience and insight into the preparedness, planning, mitigation, response, and recovery for severe disasters.
July 20	<u>Reducing Your Workplace Violence and Active Assailant Exposure</u> (archived)	An average of 2 million U.S. workers report having been the victim of violence at work. If you haven't yet addressed this exposure, learn how to prepare, and respond.

FOCUS RISK AREAS

August 17	<u>OSHA Update: Emphasis Programs and Citations</u>	OSHA's National Emphasis programs change from year-to-year. We will provide an update on the current safety focus and the most frequent citations.
September 21	<u>Accident Investigation in the Gaming Environment</u>	Does your organization continue to see the same gaming injuries? Using an accident investigation process can help to reduce reoccurring claims. Join us to learn how.
October 19	<u>Event Safety and Security</u>	We'll address the prominent safety and security threats and important tips and best practices to keep your events safe.
November 15	<u>Hotel Operations</u>	Common injuries found in hotel operation and what your organization can do to reduce re-occurrence.
December 14	<u>Kitchen Safety</u>	The top 4 most frequent injuries and simple actions to keep your employees safe
